

NEW YORK

**TSC INSTITUTIONS' RESEARCH EXPENDITURES CONTRIBUTION:
TO U.S. GDP: \$690.1 M • TO EMPLOYMENT: 8,900**

These New York companies trace their roots to federally funded university research. Federal investment in research has resulted in short- and long-term economic benefits by contributing hundreds of thousands of American jobs each year, which in turn generate billions of dollars in wages and boost local and state economies.

COMPANIES
